

ROCKET ROD™ by ROCKET RACK®

ROCKET ROD™ – 304 stainless steel or zinc plated steel all thread rod with FDA-compliant PVC encasement – is available in 1/4" – 3/4" diameters and 6' and 12' lengths. A proprietary manufacturing process ensures the encasement is tight and snug, making it clean and smooth with no exposed threads – perfect for food and beverage-grade installations.

The installer simply cuts the rod to length, strips away the amount of FDA-compliant encasement using the Robroy Stainless Rod Stripping Tool to reveal precisely the threads needed, then mounts the rack. No on-site threading of rod saves time and substantially reduces the danger of product contamination, while increasing on-the-job safety.

PART NUMBER		DESCRIPTION	
304 STAINLESS	Zinc-Plated		6 ft.
RRPVC304061/4	RRPVCZNC061/4	ROCKET ROD™ 1/4"- 20x6' PVC Encasement ATR	
RRPVC304063/8	RRPVCZNC063/8	ROCKET ROD™ 3/8"- 16x6' PVC Encasement ATR FDA-Comp. PVC	
RRPVC304061/2	RRPVCZNC061/2	ROCKET ROD™ 1/2"- 13x6' PVC Encasement ATR FDA-Comp. PVC	
RRPVC304065/8	RRPVCZNC065/8	ROCKET ROD™ 5/8"- 11x6' PVC Encasement ATR FDA-Comp. PVC	
RRPVC304063/4	RRPVCZNC063/4	ROCKET ROD™ 3/4"- 10x6' PVC Encasement ATR FDA-Comp. PVC	
PART NUMBER		DESCRIPTION	12 ft.
RRPVC304123/8	RRPVCZNC123/8	ROCKET ROD™ 3/8"- 16x12' PVC Encasement ATR FDA-Comp. PVC	
RRPVC304121/2	RRPVCZNC121/2	ROCKET ROD™ 1/2"- 13x12' PVC Encasement ATR FDA-Comp. PVC	
RRPVC304125/8	RRPVCZNC125/8	ROCKET ROD™ 5/8"- 11x12' PVC Encasement ATR FDA-Comp. PVC	
RRPVC304123/4	RRPVCZNC123/4	ROCKET ROD™ 3/4"- 10x12' PVC Encasement ATR FDA-Comp. PVC
